Projects

Eat Out, Austin
https://github.com/DragoonKite/eat-out-austin | https://eat-out-austin.herokuapp.com/

- Group project. Full stack application that allows industry insiders of the Austin local food scene to offer their reviews and recommendations of restaurants for visitors and newcomers to eat.
- Individual role was to create API routes for the databases using SQL and Sequelize. Helped create Javascript code to allow front-end developers to pull from the database to display on the application and assisted with making sure handlebar files were as efficient as possible.
- HTML, CSS, JavaScript, Bootstrap, Node.JS, Sequelize, Express.JS, Express Handlebars, Custom API's

Safe Travels
https://github.com/cocobeware83/Safe-Travels | https://cocobeware83.github.io/Safe-Travels/

- Group project. The team developed an application that allows the user to pull pertinent information to a US city before deciding to travel to that location.
- Individual role was to research CSS frameworks to incorporate into project, help set up HTML body, and develop and maintain Javascript code.
- HTML, CSS, JavaScript, jQuery, MomentJS, Bulma CSS Framework, API's

Tech Blog

- Individual project. Developed Tech Blog, allowing users to create an account, log in to a dashboard, and create, edit, and delete posts. Users who are logged in may also leave comments on other posts that other users have made.
- HTML, CSS, JavaScript, Bootstrap, Node.JS, Sequelize, Express.JS, Express Handlebars, Custom API's

Experience

Associate Band Director   2018-Present
Denton Independent School District   Denton, TX

- led the entire program of 130 students, three concert bands, one jazz band while the head director was on maternity leave
- worked with other directors to design custom marching shows
- Became well versed in different online teaching formats
  - Google Classroom
  - Canvas (would use HTML to structure online classroom)
- Maintained inventory of instruments totaling up to $50,000 in value.
- Developed a clear and concise curriculum to better prepare students in the class

Assistant Band Director   2013-2018
Lake Dallas Independent School District   Corinth, TX

- Managed a large group of up to 170 students at a given time
- Led non-varsity band to first sweepstakes in school history
- Coordinated with Private Lesson Staff Program of 12 fellow teachers
- Maintained inventory of instruments on Charms Office Assistant ($70,000 in value)
- 3rd place non-varsity finish for Jazz ensemble at UTA Jazz Festival
